The Department of Mathematics at National Central University invites applications for several tenure-track faculty positions starting on February 01, 2022, at the levels of Assistant Professor, Associate Professor, or Professor in the areas of mathematical sciences, computational and data sciences, and related fields. The priority will be given to those with research expertise in data science, image processing, or financial mathematics. Applicants must hold a Ph.D. degree. Applications should be submitted by May 31, 2021. The following information with a cover letter (items 1-4 combined as a single PDF) should be sent to head@math.ncu.edu.tw

- (1) Curriculum vitae
- (2) Teaching statement
- (3) Research statement
- (4) A complete publication list and copies of major publications within the last five years
- (5) At least three reference letters (sent directly by the reference writers to head@math.ncu.edu.tw)
